

## **Dufferin Hi-Land Bruce Trail Club**

### **Nominating Committee Report 2025**

The Nominating Committee was tasked with evaluating the existing skill set of the Board and identifying needed positions to continue to build a dynamic and diverse Board. Evaluation and Board interviews determined six Director positions to be filled: Secretary, Treasurer, Chair, Volunteer Co-ordinator, Social Media Co-ordinator and Land Stewardship Director. Additionally, the committee sought volunteers to support the positions of Volunteer Co-ordinator and Social Media Co-ordinator.

This was a significant undertaking and the committee extends thanks to Janice Macmillan for her considerable help, along with the members of the Board who introduced potential Directors. The attached chart identifies the proposed Board volunteers and non-Board volunteer supporters.

To date, we have not identified a candidate to take over the responsibilities of a treasurer on the 2025/26 Board and we continue to search for a suitable volunteer.

We would like to welcome Keith Gunn to the 2025/26 Board in the role of Land Steward. New candidates to be nominated to the Board include Elizabeth Bryan, Monica Lim and Savannah Rogers. In addition, Alicia Thayer will be providing support for social media.
