

Nominations Committee Report for the 2026 AGM

The Nominations Committee is tasked with evaluating the existing skill set of the Board of Directors and identifying needed positions to continue to build a dynamic and diverse Board for the upcoming year.

The 2026 nomination was composed of Lorraine Campbell, John Dickason and non-Board member, Janet Clare. Evaluation and Board interviews determined only one position that needed to be filled, the Biodiversity Director. To date, we have not identified a candidate to take over this position and we continue to search for a suitable volunteer.

The nominating committee wishes to thank all volunteers who have agreed to serve on the Board, both as directors and in support positions. The attached chart identifies the proposed Dufferin Hi-Land Board of Directors for 2026/27.

Lorraine Campbell
