

Volunteer Coordinator Report

In August 2025 I joined the Board in the role of Volunteer Coordinator. Since that time, I've had the pleasure of working alongside the many dedicated volunteers who make up the Dufferin-Hiland Club roster. Over the past year volunteers supported the following club events:

Event	Number of Volunteers
Bruce Trail Day 2025	29
25 K Challenge	17
Biodiversity Educational Event	2
Winterfest	3
Crazy Cat Ribbon Race	3
End to End Challenge 2026	45
Bruce Trail Day 2026	18

These special-event volunteers add to the tremendous efforts of our Hike Leaders, Trail Maintenance team, Trail captains, land stewards, Biodiversity committee, Land Stewardship Volunteers, committee and board members. Each of the people who volunteer even an hour of their time, make the work we do possible. I have thoroughly enjoyed working alongside each of you this year and look forward to growing our volunteer base next year and helping more people find and experience our portion of the Ribbon of Wilderness that is the Bruce Trail.
